## **Learn to Play Hockey!**

If your child, ages 4 through 11, is interested in learning to play the great sport of hockey, this program is for you!

**The five (5) week class will be held on Saturdays from 6:45pm to 7:45pm.  
The cost of the five (5) weeks is \$75.00.**

In order for you and your child to achieve the BEST experience with our program they need to have some ice skating experience before signing up for this program. We offer Learn to Skate Lessons on Thursday evening that are on a “pay-as-you-learn” basis for \$7 per lesson.

**Our youth hockey organization has limited equipment to loan on a first-come-first-served basis. If you need to use this equipment a deposit of \$75 is required. This will be returned to you after the equipment is returned.**

You MUST register BEFORE the start date of each class.

### **Below is a list of items provided for rental:**

Helmet, elbow pads, shin guards and gloves.

You will need to provide a stick and we provide hockey rental skates at no extra charge.

Players will be evaluated during the first class to assess their skills and will be placed in an appropriate level based on their ability. Skating skills will be taught in addition to hockey basics. This instructional program is set up with the ice broken down into two or more sections. Parents- please understand that the class is a long time for your beginner child to be on the ice; expect them to take breaks.

Sessions progress with your child’s ability; the next session does not “start over”. Please understand that in order for your child to learn to play hockey they must first learn to master basic skating skills.

**Please arrive for the first class of each session at least 30 minutes early if you are using our equipment.** All equipment is the responsibility of the participant, with the exception of hockey rental skates (those do not go home with you!), and must be returned at the end of the session unless the player is registering for subsequent sessions.

Anyone interested in joining the youth Westmoreland Hockey Association (WHA), may do so after completing at least one session.
